Welcome Every Family With a Better Admission Experience.

Every enquiry represents a parent considering your school. Orison helps your admissions team respond on time, maintain professional communication and guide every family through a clear admission journey.

Admission Management Features

- **Centralise enquiries**
- **Automate follow-ups**
- **Organise applications**
- **Send parent updates**
- **Monitor performance**

Admission Dashboard

- New enquiries
- Follow-ups due
- Applications under processing
- Counsellor-wise performance
- Confirmed admissions
- Enquiry-to-admission conversion

Never Let a Promising Admission Opportunity Get Lost.

Plan Confidently. Assess Clearly.

Connect curriculum planning and examinations so school leaders can track delivery, review results and support timely action.

Curriculum & Syllabus

Keep every class on track.

- **Plan units and chapters**
- Assign subject teachers automatically
- **Track syllabus completion**
- Identify delayed chapters
- Monitor class-wise academic progress

Examinations

Turn marks into insight.

- **Create examinations**
- Enter and verify marks
- **Analyse subject performance**
- Generate report cards
- Create hall tickets
- Maintain examination history

A clear view of what is taught—and how students perform.

See Every Class. Support Every Student.

Bring marks, attendance, homework and classroom participation together to identify students who may need attention.

Student Academic Health

Spot concerns. Act early.

- **Detect academic concerns early**
- Understand the weakest student signal
- **Create measurable support plans**
- Assign responsible staff members
- Record parent communication
- Review improvement using current school data

Classroom Observations

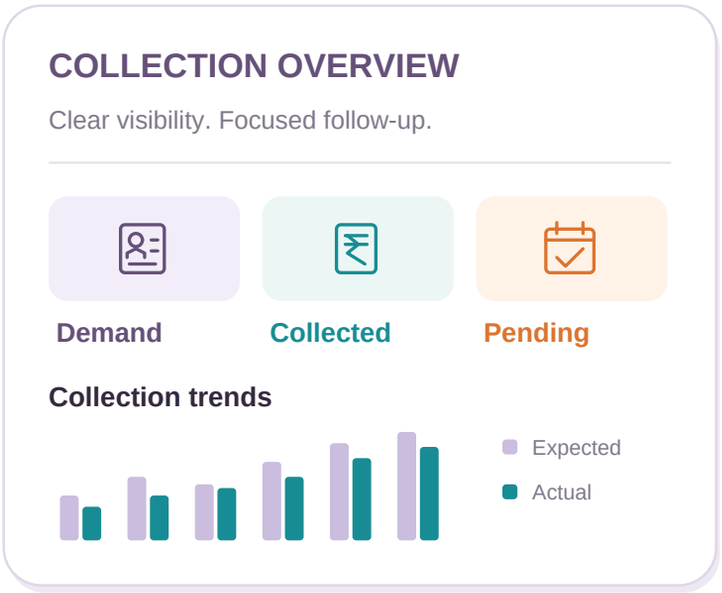

Support stronger teaching.

- **Link the allocated teacher automatically**
- Record teaching-delivery ratings
- **Review student engagement**
- Assess classroom management
- Share constructive feedback
- Agree on improvement actions
- Track follow-up visits

Turn Academic Data Into Timely School Action.

Go Beyond Collecting Fees

Orison does more than record payments. It shows your management what has been collected, what remains pending and where immediate follow-up is required.

Real-Time Collection Overview

See total demand, collected amount, pending balance and overdue fees from one clear dashboard.

Follow-Up Priorities

Give your accounts team a focused list of parents requiring payment follow-up.

Actionable Insights

- Class-wise collection performance
- Fee-category analysis
- Pending and overdue payments
- Daily and monthly collection trends
- Expected versus actual collections
- Payment-mode tracking
- Receipt and transaction history

Connected Fee Management

- Create class-wise fee structures
- Collect full or partial payments
- Generate digital receipts
- Verify online transactions
- Send payment reminders
- Download collection reports

Improve Follow-Ups. Strengthen Cash Flow. Make Better Decisions.

A Better-Managed Campus, Every Day.

Bring school assets, transport services and visitor records into one connected system for coordinated daily operations.

Inventory & Stock Management

Know what is available.

- **Track school inventory and assets**
- Record purchases and stock entries
- **Monitor available quantities**
- Identify low-stock items
- Record item issue and return
- Maintain stock-movement history

Transport Management

Coordinate every route.

- **Manage school vehicles**
- Create routes and stops
- **Assign transport to students**
- Maintain vehicle and driver details
- Track route-wise student allocation
- Monitor transport operations

Visitor Management

Keep campus visits organised.

- **Record visitor entry and exit**
- Capture visit purpose
- **Maintain visitor history**
- Improve campus monitoring
- Strengthen student and staff safety

Connected records. Coordinated operations.

Support Your Team. Connect Your School.

Keep staff records, payroll and attendance organised, with connected modules supporting everyday school administration.

HR & Payroll Management

Bring people and payroll together.

- **Maintain teacher and staff records**
- Manage salaries and payroll
- **Track employee attendance and leave**
- Maintain employment history
- Record payment information
- Manage role-based access

Biometric Management

Make attendance records useful.

- **Connect biometric attendance records**
- Monitor employee check-in and check-out
- **Identify late arrivals**
- Track working hours
- Support accurate payroll processing

Additional Connected Modules

- **Student Management**
- **Attendance**
- **Homework**
- **Timetable**
- **Staff Management**
- **Teacher Allocation**
- **Notifications**
- **Parent Communication**
- **Expenses**
- **Reports**
- **Multi-Branch Management**

One School. One Platform. Complete Control.

ORISON SERVICES PVT. LTD.

orisonservices.in

Your School's Vision Deserves the Right Technology.

You built your school to educate, inspire and create a brighter future—not to spend every day managing disconnected registers, spreadsheets and repetitive paperwork.

Orison brings your people, processes and information together—helping school leaders gain clarity, teachers receive support, parents stay connected and students receive the attention they deserve.

Let Technology Manage the Process, So Your School Can Focus on Progress.

Let Us Build a Smarter, Stronger School Together.
